VENOMOUS SNAKES
NATIVE TO OUR REGION**

-  No dogs younger than 4 months
-  Outdoors (rescheduled if it rains)
-  Owner participation encouraged (please wear closed-toe shoes, no sandals)
-  For your dog's safety, snakes are milked (venom extracted) and double-muzzled
-  If your dog is aggressive around other dogs or people, please keep confined in your vehicle (with air conditioner running!) until Trainer is notified

Avoidance training is an effective preventive measure. It is not a guarantee.
